Three Great Options for 2018!

Orton-Gillingham in the Classroom \$775

This one week long, intensive course is designed to provide the basic knowledge and skills needed for structured, multi-sensory reading and spelling instruction to all learners in the general classroom setting.

Orton-Gillingham in the Classroom \$625

This second week of training takes the training topics to the next level with morphology, advanced O-G lesson planning, diagnostic post-lesson analysis, prescriptive next lesson planning, student assessments and more.

Both weeks of training \$1300
