## From the Desk of Mr. Murr...

At our Christmas concert last week, I shared this thought: I love Christmas music, and I love the Christmas story. It is more than some sentimental myth that is talked about around the world at the holidays.

It's the Good News that Christ left Heaven to pay the penalty for our sin. He is called, in Scripture, by many names: Emmanuel (which means "God with us"), Prince of Peace, The Redeemer, The Great Comforter. Jesus is the Savior of the world.

He is all of those things, but He won't be those things *to you* until you believe on His Name. It is possible that you've heard the Good News before, but you've never accepted Jesus Christ as your Savior. There is so much to distract us from this *most important decision*, especially at Christmas!

If you would like to know more, I would love the opportunity to share my story of how Emmanuel changed my life.
