From the Desk of Mr. Murr...

Each week, I have the opportunity to teach our LLCA Senior Bible Class. The purpose of this class is to equip and prepare our seniors with a Biblical Worldview. This group is always looking for ways to be a blessing to those in need. With that being said, I'm excited to share that our seniors recently learned of a need in Honduras, and they have made a plan to help meet this immediate need. There is a Pastor Training Institute in LasCruceitas, Honduras, that needs some help! In the next few weeks, over 150 pastors and church leaders will be traveling to the Bible Institute to be encouraged, trained, and challenged to reach more people for our Lord. While at the Bible Training Center the pastors, leaders, and missionaries are in need of several things, and we can help! Starting today (Monday through Friday, December 10th), we will be collecting neckties and cell phones. It doesn't matter how old the phones are, as long as they have a SIM card. If you can donate, please send to your campus office and they will be collected from there. Thank you for your support and thank you Senior Bible class for wanting to bless others.
