## *From the Desk of Mr. Murr...*

I am proud of our students, and I like to talk about what they accomplish. Today, I want to highlight a new high school elective class taught by Pastor Jon. Students learn about an array of facets involved in Christian Ministry Leadership. Learning is important, but the goal is application. Last week, a group of students from this class stopped me in the hall and asked if they could pray over me. Right there, they surrounded me as one of our seniors led in prayer aloud for me. I know they will learn a great deal from Pastor Jon in this class, but if they only learn how powerful prayer is, it will have been a worthwhile class! (...“the earnest prayer of a righteous person has great power and produces wonderful results”- James 5:16.)
