From the Desk of Mr. Murr...

We are welcoming students starting school now and more for the second semester. As a short term solution, 4 large classrooms are being built now and will be delivered to the west campus next month. Looking forward, an architect has returned plans for a new building that will house a gym with side by side courts, doubling our capacity, a weight room, 4 offices, 10 classrooms, 2 eating areas, and a storm shelter. Tomorrow at the Limestone County State of Education Breakfast, I will be sharing this and an overview of LLCA academics, extra-curriculars, and future plans with the community. These are exciting times at Lindsay Lane!
