

# The ROAR

The Mission of Lindsay Lane Christian Academy is to assist families in being good stewards of their children using resources provided by God to develop them into disciples of Jesus Christ who worship, grow, and serve Him their entire lives.

## Counselor's Corner

Our Class of 2024 is off to an impressive start in mapping their futures. Our students are involved in numerous extracurricular programs, workforce and service opportunities, athletics, as well as leadership programs within our county. Among this class, we have an aspiring occupational therapist, chiropractor, pilot, and a lawyer, just to name a few. I have no doubt that the Class of 2024 will be one of our most successful classes yet!

As Lindsay Lane's College and Career Counselor, I provide personalized guidance on academic and extracurricular choices, helping our students identify and apply to suitable colleges or trade programs. I offer support in developing essential skills, such as resume writing and interview preparation, tailored to the specific requirements of both college admissions and trade professions. Additionally, I facilitate exploration of career paths, aiding students in making informed decisions aligned with their interests, strengths, and long-term goals.

I'm excited and grateful to be able to work with our high school students here at LLCA! I pray that God continues to lead our students as they advance in their academic and career goals.
